

ZERTIFIKAT

The WTA – Wissenschaftlich-Technische Arbeitsgemeinschaft für Bauwerkserhaltung und Denkmalpflege GmbH certifies herewith that company

Remmers GmbH

Has provided results from suitability test and process control for restoration **render systems** according to WTA-guideline 2-9-04 and that these results have been verified by the WTA-examinations board für restoration mortar systems. Initial test were carried out by an institute recognised for mortar evaluation.

Evidence of external quality control was provided. The below-mentioned product has passed the suitability test and thus meets the criteria of the WTA-guideline.

0400 SP Prep
0401 SP Levell
0402 SP TOP white
0404 SP TOP rapid
0416 SP TOP SR
0417 SP TOP WD rapid
0420 SP TOP basic

The product may be labelled with the service mark.

This certificate may not be transferred to other restoration mortar products. This certificate is valid for two years from date of issue. The period of validity can be extended on presentation of the results of an external quality control.

Valid until: Juni 2020

Berlin den 26.06.2018
